CITIZEN OF THE YEAR John De Smit Memorial Award

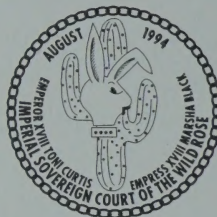

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the Gay Community and the City of Edmonton a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and win more companionship among our neighbours and acquaintances.

John De Smit was a man who was at ease with life and socialized freely with everyone around him. He loved having a good time with everyone and demanded nothing from anyone. He loved showing the unaware that gay people are worth knowing and caring about. He was cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.

Past award recipients were:

1977-78:	John Reid	1985-86:	Darrin Hagen
1978-79:	Jim Heibert	1986-87:	Kyle Edgar
1979-80:	Ron Byers	1987-88:	Kevin Hendricks
1980-81:	Pat Fortier	1988-89:	Sam Evanochko
1981-82:	Ron and Ross	1989-90:	Mother Jean Lawson
1982-83:	Michael Phair	1990-91:	Beverly Crest
1983-84:	John M. Kerr	1991-92:	Michael McKinnon
1984-85:	Michael Rjitter	1992-93:	Conrad Drago

1993-94: To Be Announced

JOHN M. KERR MEMORIAL SCHOLARSHIP FUND

The John M. Kerr Memorial Scholarship is awarded annually to Gay or Lesbian student(s) who reside in Alberta and may be applied to any accredited post-secondary program within the province. The fund was initiated and is administered by Empress VIII and XVII Mary Mess (Michael McKinnon). Fund-raising shows are organized and hosted by Empress XI Beverly Crest and Mr. & Ms. Gay Edmonton VI Darrell and Donna Du Ya Wanna.

STARS OF HOPE FUND

The 'Stars' fund was begun in 1990 by Empress XIV Leah Way, and Empress XV Twiggie to raise monies each year to be presented at Edmonton's Coronation Ball to Persons Living with AIDS, and AIDS related services. Persons who donate \$5.00 or more to the fund receive a commemorative pin as a reminder that above all we have hope for a brighter, safer future within our gay and lesbian community.

GAYLINES

Through the success of our fund raising activities and the personal commitment of Empress XVIII Marsha, the ISCWR was, in August '93, able to introduce to Edmonton a central information and voice mailbox service. The aim of this service is to provide easy access to information on all organizations and businesses which have an interest in the Gay, Lesbian, Bisexual, and alternative lifestyle segments of our community. Through it's mailbox programming it also allows callers the option of leaving a request for more information from the organization that interest them. The operational costs of the system are underwritten by the ISCWR and we are proud to include it as an integral part of our operations. The System has for the last year averaged 2500 calls a month and is currently listed in the Edmonton Phone Directory under GAYLINES.

Good Evening Ladies and Gentlemen

Welcome to Coronation '94 "Bunnies in Bondage - A Tribute to the Ice Capades". On behalf of the Board of Directors of the Imperial Court of the Wild Rose, I would like to extend our warmest welcome and express a sincere hope that you are enjoying your time with us in Edmonton.

As president of the Board, I would like to congratulate our Emperor and Empress on the completion of their reign. Despite many adverse situations you both sit on the dias tonight as the reigning monarchs of our empire. I hope that at this evening's completion you will be able to leave behind the politics and personal differences you experienced and keep only the memories of the accomplishments of your reign.

In addition to our Emperor and Empress, I would like to offer the Board of Director's congratulations to our Prince and Princess for their work this year and to express our hope that their reign has left them with a sense of accomplishment and many good memories.

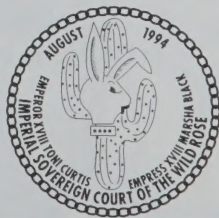

I would also like to take this opportunity to thank the members of the Board of Directors who have worked tirelessly this year to ensure the continued success of our court. Without the three of you and your unceasing efforts to further the goals of our organization, we would be in very sad shape this evening.

I would be remiss in my duties if I did not express the gratitude of all of us who worked so hard this year to our decade monarchs Buster and LuLu. On behalf of the entire court I would like to welcome you home to celebrate your decade. the work that you have done for our court has been ceaseless over the past ten years. I am confident that tonight you will once again do your empire proud as we celebrate the tenth anniversary of your reign.

In closing, a note to our new monarchs, whoever they may be. The purpose of the Board of Directors is to govern the day to day operation of the society, NOT to in any way upstage the monarchs. I hope that you will remember this when your board does it's job, just as this board has had to do.

For the Board of Directors,

*M. MacKinnon

To: *The Imperial Sovereign Court of the Wild Rose*

Congratulations on Coronation XIX, and to all guests, welcome to Edmonton's wildest party: Bunnies in Bondage - A Tribute to the Ice Capades! I and all Edmontonians look forward to the crowning of the 19th Empress and Emperor on August 20th at Edmonton's Convention Centre.

Certainly Saturday evening will be an event of fun and glitter as many rhinestone-studded queens with escorts shimmer down the stairs, into the Convention Centre, and up to the dias to pay homage to Empress and Emperor XVIII. The entertainment, the dignitaries, the coronation and the awarding of the scholarships are what distinguish the evening and *The Court of the Wild Rose*. The City of Edmonton is gratified that the ball will recognize the many groups that contribute to the lesbian and gay community. We wish to salute the *Court* for its own outstanding efforts to raise funds for a number of worthy causes - particularly Kairos House, a home for persons living with HIV.

On behalf of City Council and all Edmontonians:

- * Welcome to all out of town guests;
- * Thanks for the great reign of Empress Marsha and Emperor Toni;
- * Congratulation to the new Emperor and Empress and their Court, the *XIX Court of the Wild Rose*.

Good Evening Friends and Special Guests

The last ten years have flown by so fast, yet I am reminded tonight of the lasting friendships that were made over this decade. I would like to dedicate tonights 10th Anniversary of the Imperial House of Dirty Diamonds to those who have loved and lost. As I write this message, I picture those in my mind who will be with us in spirit tonight. I look forward to the day when we will not have to say good-bye to our loved ones.

Although it has been nine years since I have lived in Edmonton, wherever I have lived or visited, Edmonton will always be in my heart. Thank you Edmonton for being THE city I am proud to represent as your Emperor ten years ago.

To my Empress Lulu, although time and distance have separated us, you have always been there. Thank you for our continuing friendship -- I love you, Chuck! In order to impart my feelings as I write this message, it would require volumes of paper therefore I will be brief. In closing, I would like to quote an Empress I love and respect by saying, "I've always said the greatest gift from our Court System are the friends you make for life. I am honoured by your presence."

*I love, peace and unity,
His Imperial and Sovereign Gracious Majesty
The Dirty Diamond Emperor
Emperor IX Buster Boxx*

Greetings!

Thank you for all coming together and helping us celebrate our tenth anniversary as Emperor and Empress of Edmonton. It is still mind boggling that ten years have past since our coronation (after all, I'm only 25). A lot has transpired in the last decade. Some good, some bad and no regrets. The friends I've made and the memories I cherish are truly great benefits of wearing the crown of Empress. I am proud of my association with the Imperial Court system and in particular my involvement with The Imperial Court of the Wild Rose. The title of Empress has, and continues to, open doors for me both professionally and personally. For that I will always be grateful.

Twiggy, what can I say. You are the mastermind that got me here tonight. Thank you, thank you, thank you! I love you girl. Jenny Blake, you travelled thousands of miles to be here with me tonight. As usual, you are right where I need you most. I hope you enjoy Coronation and I am glad you will finally be able to put a face to all those people I keep talking about. You are my Rock! Gloria Hole, you are the source of all my creative aspirations. Your mama love you, admires you and thinks of you often. You make me proud. Neon, you sexy thing! All the positive changes you have made for yourself are truly amazing! I love you and yes... I DO HAVE TO GO HOME! Flora, Justine and Ty. You are like the Calgary version of Charlies Angels. Perfectly coiffed and impeccably dressed. It's just the dialogue that could use a little work. Ha ha, just kidding. I love you all. Drag Mama Tina and the lovely Vera Boyles. You made me do drag so I blame you for everything. Much love. Ora, wherever you are, we had many ups and downs over the years, but the fact is I miss you already. Sleep well fair Empress. Gretchen, congratulations. I know you will do an amazing job. Just try not to make it a career like Mary did. O.K. And finally Buster! What can I say. You stuck by me through thick and thin and proven yourself to be a great friend time and time again. We go for years without seeing each other and always manage to pick up right where we left off. Thank you for being my friend and thank you for being you. I love ya Bub!

I'm sure there are people I neglected to mention and I apologize. I blame it on dementia. Marsha and Toni, thanks for this wonderful opportunity and congratulations on your year. Trust me it is much more festive as a dowager. Ask anyone. Enjoy Coronation and each other's company... but please take a moment to remember those who are no longer with us as well. May their hard work never be forgotten.

*With best wishes I remain,
Empress IX of Edmonton Lulu La Rude*

PARTY TIME !!!!!

Good evening ladies and gentlemen

It is indeed a pleasure to welcome one and all to Edmonton's Coronation '94.

When running for Imperial Crown Princess 18, my goals were to learn more about the organization, fundraise, and to test myself as to whether or not I'd want to, or have the energy necessary to go further up the court ladder. I thank all who have made this year one of the most rewarding and enjoyable experiences of my life.

Edmonton - Thanks to all for the support and encouragement during this year. Only living here for the last eight years, I feel very blessed and fortunate to have so many wonderful friends and acquaintances. You've made Edmonton a place I'm proud to call home.

Out of Town - In such a short space provided for my message, there is not enough space to mention ya' all! So I'll have to thank you personally. There are so many cherished memories from new friendships and old. Please enjoy Edmonton's hospitality, have a drink on Marsha and prop me up if I fall.

*With love, friendship and respect,
